In comparison to a lifetime our moments at C.C.H.S. are few. But those moments are special because they are ours. I trust that we have captured some of the better moments at Callobay this year. It is my honor to present to you THE LAKER 1985.

Vanessa,

Well I don't really know what to say. Since I've known you for a long time because of Amanda & Lydia. But I'm just starting to know you differently. I'm feeling good about it right now. But we'll just have to see what happens. I think it could be good things.

Loving ya,

Charles
